"Past to Present and Beyond!"

Each year the Ventura County Science Fair, presented by the Ventura County Office of Education, holds a competition to find a new design logo for its posters and booklets. The winning design is used on the posters and literature associated with the fair, and on the awards presented to the fair winners.

Any full-time student in grades 6-12, in the Ventura County Office of Education Region, may enter the competition. Teachers should make the students aware that this is a competition and entries should reflect the students' best attempt. Some schools hold their own competition in order select entries to send in.

The design should include:

Theme: The design should illustrate this year's theme, **"Past to Present and Beyond!"**

Format: Overall size must be 7.5" X 7.5" on stiff white card stock and able to reduce down to a 1.5" round . The design may be in color but must be dark-lined for clarity and may be modified for printing. **Do not shade in your artwork**.

Original Work: The design must be original work done by the student, no clip art or collage material from commercial or private sources will be accepted. Any two-dimensional medium, including computer software, following the guidelines above, is acceptable.

Signature: The student's signature should appear within the design.

Student Info: Entries must include the following information on the back of the poster: Name, age, home address, home telephone, school and teacher.

Entry Deadline: All entries must be delivered no later than **Thursday, October 26, 2017 by 4:00 PM**.

Awards: A plaque will be presented to the winning student at the Science Fair Awards Ceremony. The winning design will be selected by the Ventura County Office of Education.

Deliver or email all Entries to:
