

## Science Safety Contract

Purpose: Safety in the hands-on science classroom is very important since there are potential hazards. The materials must be used properly. Safety instructions given before each activity, as well as the rules below, must be followed at all times. This contract must be signed before a student is allowed to participate in any hands-on portion of science class.

### Rules:

- 1) Conduct yourself in a responsible manner at all times. Horseplay, practical jokes, and pranks will not be tolerated.
- 2) Follow all written and verbal instructions carefully. If you have a question, ask your teacher.
- 3) Do not touch anything in the science room without permission from the teacher.
- 4) Never eat, drink, chew gum, smell, or taste anything in the science room without permission.
- 5) Keep your hands away from your face, eyes, and mouth while using science materials.
- 6) Wear safety glasses when instructed.
- 7) Keep your work area neat and clean.
- 8) Clean your work area at the end of the experiment.
- 9) Dispose of all waste as your teacher instructs.
- 10) Report any damaged materials to your teacher.
- 11) Do not remove anything from the science room without permission.

### Agreement:

I \_\_\_\_\_ (student's name) have read and understand each of the above safety rules set forth in this contract. I agree to follow them to ensure a safe environment. I also agree to follow the general rules of appropriate behavior for a classroom at all times to avoid accidents. I understand that if I do not follow the rules, I will not be allowed to participate in the activities.
